1. The applicant agrees to give the County Engineer 48 hours notice of intention to start construction on the highway right-of-way.
2. The applicant shall take all reasonable precautions during the construction operation or maintenance of said works to protect and safeguard the lives and property of the traveling public and adjacent property owners. This includes not interfering with or interrupting traffic on said highways; returning the entire roadway to its undisturbed condition and saving the County harmless of any damage or losses that may be sustained by the traveling public or adjacent property owners on account of such operations.
3. The County assumes no responsibility for damages to the applicant's property occasioned by any construction or maintenance operations on said highways, including new or additional right-of-way acquired in connection therewith, subsequent to the building of said work.
4. The applicant will at any time subsequent to construction of the works, and at his own expense, relay, remove, reconstruct or encase his lines as may become necessary to conform to new grades, alignment or widening right-of-way resulting from maintenance, improvement, or construction operations irrespective of whether or not additional right-of-way is acquired in connection with such highway improvement. However, the County will endeavor to give the applicant sufficient notice of any proposed construction or maintenance work, on either existing or newly acquired right-of-way that is likely to expose, cover up, or disturb any work belonging to the applicant, in order that the applicant may arrange to

protect his lines. The County will inform contractors and others working on the job of location of the lines so that reasonable care may be taken to avoid damaging the lines. However, the County assumes no responsibility or liability for damage to applicant's property because of failure to give such notice.

5. Applicant agrees to comply with all above provisions promptly and at no expense to the County. If the applicant is unable to comply promptly, the County may cause the above provisions to be enforced, and the applicant will pay the cost thereof upon receipt of statement. Further, applicant shall reimburse the County for any expenditure that the County may have to make on said highway on account of said applicants works having been constructed thereon.
6. This permit is subject to any laws now in effect or any laws which may be hereafter enacted.
7. All work shall be done in a workmanlike manner and ground left in a neat condition, satisfactory to the County Engineer.
